

## **Mobility Aid Recognition Scheme**

Guide to Approved Mobility Scooters: January 2014

This document contains a list of all the mobility scooters currently assessed by Thames Clippers for the mobility aid recognition scheme.

In the 'Status' column, 'Yes' means the scooter should be suitable but will need a final assessment by one of our safety team before a mobility card is issued and travel is permitted on Thames Clippers vessels. 'No' means that the scooter is too large to use on Thames Clippers vessels, and 'Needs Assessment' means the scooter is borderline size and will also need final assessment.

Please contact us on 020 7001 2200 or email [web@thamesclippers.com](mailto:web@thamesclippers.com) if you want to join the scheme, make an enquiry, or if your scooter is not on the list and we will be happy to help
